

Congratulations!

We want to extend a warm welcome to you. You are joining an excellent school district that is committed to continuous learning for students and staff.

You will be attending a three-day orientation beginning Wednesday, August 11, at Silver Creek High School. The address is 4901 Nelson Rd., Longmont. Local businesses that partner with the school district to sponsor this event will be staffing booths on the first day and you may want to visit with them before orientation starts and during scheduled breaks.

You will be receiving a packet in the mail with additional information. We look forward to meeting you and providing you with support and resources for a successful first year in our district.

Best regards,

Lory Courtney
Director of Professional Development

‘At school everyone’s job is to learn’
