

We want to extend a warm welcome to our newly hired teachers for the 2009-2010 school year! You are joining an excellent school district that is committed to continuous learning for students and staff.

You will be attending a three day orientation beginning August 12th at Coal Ridge Middle School in Firestone. We will be sending out letters with all of the important information that you will need in early August.

We look forward to seeing you this summer!
